Dear Friends in Rhythmic Gymnastics,

It is my pleasure to announce the 11th edition of SANIX Cup International Rhythmic Gymnastics Group Tournament, an event that has been bringing together over 100 domestic teams in the natural environment of Global Arena for the past 20 years.

Its predecessor was established to popularize rhythmic gymnastics among children and juniors in Japan, and we have also strived, with the annual cooperation of RGC Levski from Bulgaria, to promote international exchange and the fostering of long-lasting friendships beyond borders.

In 2012, to mark the 10th anniversary of SANIX Cup, we made the competition international by extending overseas participation to include more teams from abroad. Since then, we have had Junior National Teams from Azerbaijan, Bulgaria, Kazakhstan, Lithuania, Thailand and Turkey, the Junior Representative Team of Tatarstan (Russia), club teams from Australia, Bulgaria, China, Hong Kong, Korea, Malaysia and Russia, and school teams from Chinese Taipei joining the first 9 international editions of the tournament.

We would like to continue raising the level of competition and enlarge our circle of friends, and hope you will consider participating in the tournament with a Junior or Senior group from your club. Besides the competition proper, you will be taken on a sightseeing trip to give you a first-hand experience of Japan and its culture. Optional extension of stay for coaching by the world class coaches of RGC Levski can be arranged, too.

Details on dates and participation conditions are listed below, and our staff will be glad to provide further information on request.

Kindly fill out and send us back the attached Questionnaire by e-mail before August 31, 2024.

I look forward to hosting your team someday in the near future.

Hiroshi Munemasa
