SANIX Open Rhythmic Gymnastics

===== Team Tournament 2025 =====

Dear Friends in Rhythmic Gymnastics,

It is my pleasure to announce the 9th edition of SANIX Open Rhythmic Gymnastics Team Tournament, a team event for senior gymnasts that aims at building on the foundations laid by SANIX Cup International Rhythmic Gymnastics Junior Group Tournament, which junior gymnasts from Japan and overseas have attended for the past 20 years.

The tournament is established to provide a pre-season stage for senior gymnasts, and apart from local teams, we have secured the participation of a senior team of RGC Levski from Bulgaria with the aim of raising the level of competition and the hope to promote international exchange and long-lasting friendships beyond borders. The first four editions of the event have been joined by the Philippines Senior National Team and club teams from Australia, Hong Kong, Kazakhstan, China, Korea and Russia.

We hope you will consider participating in the tournament with a senior team from your club. Besides the competition proper, you will be taken on a sightseeing trip to give you a first-hand experience of Japan and its culture. Optional extension of stay for coaching by the world class coaches of the visiting RGC Levski can be arranged, too.

Details on dates and participation conditions are listed below, and our staff will be glad to provide further information on request.

Kindly fill out and send us back the attached Questionnaire by e-mail before December 1, 2024.

I look forward to seeing you in Japan in the near future.
