Global Kids International

Rhythmic Gymnastics Tournament 2025

Dear Friends in Rhythmic Gymnastics,

It is my pleasure to announce the third in-person edition of SANIX Kids International Rhythmic Gymnastics Tournament, an event for individual U-10, U-12 and U-13 gymnasts which presents them with the opportunity to test themselves in an international competition at these very important formative years of age. Its inaugural edition was conducted in an offline version, with prerecorded videos of individual routines and was joined by gymnasts from Australia, Bulgaria, Indonesia, Mexico and Russia.

The tournament program includes a gymnasts` interaction event to promote international exchange and a sightseeing trip to give overseas participants a first-hand experience of Japan and its culture.

We hope you will consider participating in the tournament with individual U-10, U-12 and/or U-13 gymnasts from your club. Optional extension of stay for coaching by the world class coaches of the visiting RGC Levski from Bulgaria can be arranged, on request, too.

Details on dates and participation conditions are listed below, and our staff will be glad to provide further information on request.

Kindly fill out and send us back the Questionnaire by e-mail before February 15, 2025.

I look forward to seeing you in Japan in the near future.
